SUMMARY

Recently completed the coding Certification bootcamp at UNC Charlotte. Programs include the basics of front-end and back-end technologies including HTML5, CSS3, JavaScript, Bootstrap, React.js, Node.js, Express.js, MySQL, NoSQL (MongoDB), Command Line, and Git. Worked with multiple team members to create functional mobile friendly web applications.

TECHNICAL SKILLS

Technical Languages: JavaScript, HTML5, CSS3, React, Bootstrap, Node.js, Express.js
Applications: Heroku, Git Hub, Visual Basic, Git bash, MongoDB

PROJECTS

Petfolio | https://github.com/matthewbaty/petfolio

- *As many places become per friendly, this app lets you save you pet pictures, vaccination records and other important pet info. Great for when you take your pets on a trip!*
- *I was given the task of creating Models, hooks and routes*
- *JavaScript, Bcrypt*

Fit Checker| https://github.com/rm2023/fit-checker

- *This app uses your IP address to get your zip code then to get you to get your weather from there it provides dress options.*
- I was given the task of APIs, geolocation, landing page, HTML, CSS, Mongo dB, Heroku
- *Geocode Api, Open weather Api, Heroku, mongo DB, JavaScript*

EXPERIENCE

Licensed Insurance Agent   **2023– Present**
Concentrix   Charlotte, NC
Created new policies for customer for Home, auto, motorcycles, boat, Jet skis, RV etc.
As employees were transitioned from Allstate, I provided full support for calls in all 50 states. As shortage of employees and call volume increase assist with continuous call volume:

- *I provide Customer a brief description of policy rates & helped Write new policies.*

Licensed insurance agent   **2019– 2022**
Allstate   Charlotte, NC
I started in unlicensed then transitioned into DriveWise/ MileWise technical support where I helped order new devices, and troubleshoot Phones, application, devices and website. Eventually was provided an opportunity to get My property and casualty license which helped me get into the position I am in today:

- *Provided agency support for all policy changes in every state following state regulations.*

EDUCATION
